

Hossam Eldin Mohamed Refaat Abouserie. (PhD)

Professor of Library & Information Sciences, Faculty of Arts, Helwan University, Egypt.

Emails: hossam_refaat@arts.helwan.edu.eg

Hossam_usa@yahoo.com

Mobile: 002-01004954917

Profile

Professor Hossam is a distinguished academic with nearly 20 years of experience teaching graduate and undergraduate courses in Library and Information Science. His expertise spans information-seeking behaviors, collection development, information resource management, organizational management, information systems, database management, research methodologies, and research ethics. He is deeply committed to advancing the field through ongoing research, publications, and the supervision of master's and PhD students. His research interests include data security and privacy, digital libraries, social networks, e-publishing, and information systems.

In addition to his academic roles, Professor Hossam has over a decade of experience managing academic libraries and learning resource centers at the university level. He excels in multicultural and inclusive environments and is a proactive, results-oriented professional dedicated to fostering knowledge and innovation.

Education

- 2003: PhD, School of Information Sciences, University of Pittsburgh, PA, USA
 - 2000: MA, Information Studies, University of Wisconsin, Milwaukee, USA
 - 1999: MA, Information Science, Helwan University, Cairo, Egypt
 - 1995: BA, Library Science (with Honors), Cairo University, Egypt
-

Teaching Experience

- Collection development,
 - Information retrieval and analysis,
 - Information sources and services,
 - Information science,
 - Management of information organizations,
 - Information systems,
 - Database management,
 - Organization of information, (Cataloging, Classification, Subject headings)
 - Research methodologies
 - Research ethics
 - Information Technology and communication,
 - Social networks
 - Digital Libraries
-

Research and Publications

Prof. Hossam has several research papers published in ERIC database studying user's behaviors in dealing with networked information sources and electronic resources in performing various tasks. He also has over 15 research papers published in peer reviewed journals in the Middle East region.

- Information Seeking and Communicating Behavior of Social Science Faculty in an Academic Environment with Special Reference to the Use of Electronic Journals: A Field Study. School of Information Sciences, University of Pittsburgh, May 2003. Published in Dissertation Abstract International, DAI. (Doctor Degree)
- Computerized public libraries in Cairo and Giza governorates and their roles in user services: A case study/Hossam Eldin Mohamed Refaat Abouserie. -Cairo: Department of Library and Information Science, Faculty of Arts, Helwan University, 1999. (MA Thesis in Arabic Language)
- Bachelor's Degree in Library and Information Science Field: A Comparative Analysis Study Performed on Distinguished American Universities/Hossam Eldin Mohamed Refaat Abouserie. 2011. *مجلة المكتبات والمعلومات العربية*, مج 31، ع 2، إبريل 2011 (ERIC Number: ED514032, 2009)
- Academic Job Placements in Library and Information Science Field: A Case Study Performed On ALISE Web-Based Postings/Hossam Eldin Mohamed Refaat Abouserie. 2010. *مجلة العربية* 3000، ع 41، أكتوبر 2010 (ERIC Number: ED514036, 2010)
- Evaluation of Online Dictionaries from Faculty Perspective: A Case Study Performed On English Faculty Members at The College of Arts and Sciences at King Saud University - Wadi Aldawaser Branch/Hossam Eldin Mohamed Refaat Abouserie. Vol. 31, N 1, April 2011. *مجلة المكتبات ومعلومات العربية*، إبريل 2011 (ERIC Number: ED514314, 2010).
- Use of Networked Information Sources and Services by Information Science Faculty in Services: A Field Study Performed at The School of Information Studies at Syracuse University. 2008. *المجلة العربية في المكتبات وعلم المعلومات*، (ERIC Number ED504036, 2008)
- Information Seeking Behavior of Library and Information Science Faculty in Research with a Special Reference to the Use of Networked Information Sources and Services: A Case Study Performed at the Graduate School of Library and Information Science at the University of Illinois at Urbana-Champaign/Hossam Eldin Mohamed Refaat Abouserie 2007. (ERIC Number: ED504186, 2007)
- Use of Electronic Journals by Library and Information Science Faculty Members in Performing Various Academic Tasks: A Field Study Performed at the School of Information Sciences at the University of Pittsburgh/ Hossam Eldin Mohamed Refaat Abouserie 2006. (ERIC Number: ED504184, 2006)
- Use of Networked Information Sources and Services by Information and Library Science Faculty in Teaching: A Case Study Performed at the School of Information and Library Science at the University of North Carolina/Hossam Eldin Mohamed Refaat Abouserie. *Arabic Studies in Librarianship and Information Science*, Vol. 25, N. 3, 2005. (ERIC Number: ED498930, 2005)
- Basic Tasks of the American University in the Modern Society/Hossam Eldin Mohamed Refaat Abouserie, *Arab Journal for Library and Information Sciences*, 2004. (ERIC Number: ED494699, 2004)
- Networking Course Syllabus in Accredited Library and Information Science Programs: A Comparative Analysis Study/Hossam Eldin Mohamed Refaat Abouserie.. *El Fehrist Magazine*, 2011. *مجلة الفهرست*، ع 2011 (ERIC Number: ED514032, 2011)

- Ayman Ismaeil, Effective internship skills, Learning Resources Centre, ASU, Oman, 30/4/2019.

Technology & Collection Development

- Establish and maintain strong connections with faculty, academic chairs, program coordinators, including meeting regularly with faculty to discuss and understand their requirements, enabling the library to serve their needs in the best possible manner;
- Developing Library Collection and work closely with Department chairs, and faculty members;
- Coordinating access to information resources in multiple formats with the collections development and facilitating access to information resources held elsewhere. (QNL)

Technical Operation

- Supervising cataloging process OCLC, MARC
- Adopting new library system “Sierra”

- Supervising purchasing Sierra system process
- Supervising implementation process
- Supervising training process
- Supervising testing process
- Supervising Go Live process
- Supervising data migration and upload
- Supervising the system customization and pro-filing
- Supervising implementation of RFID and security gateways
- Supervising shelving and reordering process

User Services

- Ensure providing high quality services to library users, such as reading, circulation, reference services, internet search, referral services, printing, etc.
- Ensure that physical facilities are properly maintained, such as photocopy machines, computers, printers, internet access, etc.
- Supervising various cultural events and symposiums that of interest to Qatari community
- Represent the Library in professional and nonprofessional conferences
- Supervising Qatar National Library registration process, guiding, training and access
- Ensure that the library's users are aware of the capabilities of its technology-enabled spaces and services
- Collaborate with other managers and administrators in supporting the full range of Commons services

Administration

- Resolve complaints of users and staff
- Supervising annual budget, for books purchase and distribute it among different fields
- Supervising annual budget, for newspapers and magazines
- Perform purchasing functions of the Library
- Dealing and communicating with various vendors
- Determine staffing requirements and supervise the selection process, by meeting, determining and selecting qualified candidates
- Cooperating with different libraries
- Lead the overall management, and ensuring a professional approach across campuses
- Ensuring high quality, professional and user-focused library service and instruction to the academic community
- Make ongoing improvements to systems, processes, policies and procedures
- Effectively manage libraries operations

Develop Policies

- Develop and implement library policies and procedures in line with common strategic direction and vision of the institution
- Work closely with college dean in interpreting library policies for:
 - * Working hours
 - * Library use
 - * Circulation services,
 - * Photocopying Policy and printing services
 - * Fines and payments

Library Director Representative

- Represent the library to visitors and the external community
- Maintaining professional awareness and close links with academic libraries

Technology and Collection Development

- Coordinating access to information resources in multiple formats with the collections development and facilitating access to information resources held elsewhere
- Develop and maintain, in conjunction with the Computing Services Department appropriate and accessible computer resources in the library

Software & Program SKILLS

- Library Management Systems: OLIB Web, Sierra, and Symphony.
- OCLC WorldCat, WorldShare, CONTENTdm
- MARC21, AACR2, RDA, ISBD, Metadata, Dublin Core
- Discovery Services, EBSCO, ERIC, IGI, ICE, Open Access Sources, etc.
- Digital Libraries, SDL, QNL, Masader
- E-Learning Systems
 - Teams
 - Blackboard
 - Moodle
 - Edmodo
- Toolbox
- Web Page Design, Dreamweaver
- Adobe Photo Shop CS
- IBM SPSS
- Microsoft Office
- Windows NT, 7, 8, 10

Language Skills

Bilingual Arabic / English

Employment History

- **2020 – Present: Professor of Library & Information Science**, Information Science Department, Faculty of Arts, Helwan University, Cairo, Egypt.
- **2018 – 2020: Director of Learning Resources Centre**, A’Sharqiyah University, Sultanate of Oman.
- **2017 – 2018: Associate Professor**, Information Science Department, Faculty of Arts, Helwan University, Cairo, Egypt.
- **2016 – 2017: Head of Libraries**, Community College of Qatar, Doha, Qatar.
- **2009 – 2016: University Library Supervisor & Associate Professor of Information Sciences**, Sattam Bin Abdul Aziz University, Saudi Arabia.
- **2007 – 2009: Assistant Professor of Information Sciences**, Department of Information Science, Faculty of Arts, Helwan University, Egypt.

- **2006 – 2007: Visiting Assistant Professor**, Department of Mass Communication & Information Sciences, College of Arts and Sciences, Qatar University, Doha, Qatar.
 - **2003 – 2006: Assistant Professor**, Department of Information Science, Faculty of Arts, and Department of Printing and Publishing, Faculty of Applied Arts, Helwan University, Egypt.
 - **2000 – 2003: PhD Scholar**, School of Information Science, University of Pittsburgh, PA, USA.
 - **1999 – 2000: MLIS Scholar**, School of Information Studies, University of Wisconsin-Milwaukee, USA.
 - **1996 – 1999: Teaching Assistant**, Department of Information Science, Faculty of Arts, and Department of Instructional Technology, Faculty of Education, Helwan University, Cairo, Egypt.
-

Workshops and Training Programs

- Quality Standards: Faculty and Leadership Development Project, Helwan University, Egypt, 6–8 April 2008.
- Academic Ethics: Faculty and Leadership Development Project, Helwan University, Cairo, Egypt, 31 March–1 April 2008.
- Credit Hours System: Faculty and Leadership Development Project, Helwan University, Egypt, 23–25 February 2008.
- Competitive Research Projects (National and International): Faculty and Leadership Development Project, Helwan University, Egypt, 16–18 February 2008.
- Effective Presentation: Faculty and Leadership Development Project, Helwan University, Egypt, 9–11 February 2008.
- Use of Technology in Teaching: Faculty and Leadership Development Project, Helwan University, Egypt, 2–4 February 2008.
- Scholarly Publishing: Faculty and Leadership Development Project, Helwan University, Egypt, 24–26 February 2008.
- Communication Skills in Education: Faculty and Leadership Development Project, Helwan University, Egypt, 17–19 February 2008.
- Programs and Courses Specifications Reports – Program Self-Study: College of Arts and Science, Wadi Aldawaser, Salman bin Abdulaziz University, Kingdom of Saudi Arabia, 3–4 December 2011.
- The First Symposium on Teaching (Attendance): College of Arts and Science, Wadi Aldawaser, Salman bin Abdulaziz University, Kingdom of Saudi Arabia, 3 June 2012.
- The First Symposium on Teaching (Lecturing): College of Arts and Science, Wadi Aldawaser, Salman bin Abdulaziz University, Kingdom of Saudi Arabia, 3 June 2012.

- Self-Study Programs: College of Arts and Science, Wadi Aldawaser, Salman bin Abdulaziz University, Kingdom of Saudi Arabia, 25 September 2013.
- Effective Learning Methods: College of Arts and Science, Wadi Aldawaser, Salman bin Abdulaziz University, Kingdom of Saudi Arabia, 24 September 2013.
- Symphony Management System: Faculty of Arts and Sciences, Sattam Bin Abdulaziz University, Kingdom of Saudi Arabia, 2014.
- Addressing Our Challenges and Looking at the Future: Center for Learning Innovations & Customized Knowledge Solutions (CLICKS), Community College of Qatar, Doha, Qatar, 21 August 2016.
- Strategic Planning Execution and Management: CLICKS, Community College of Qatar, Doha, Qatar, 28 January 2017.
- Sierra System: Community College of Qatar, Doha, Qatar, 5–13 March 2017.
- Credit Hour System: Faculty and Leadership Development Project, Helwan University, Egypt, 10–11 February 2018.
- Communication Skills in Different Education Styles: Faculty and Leadership Development Project, Helwan University, Egypt, 4–5 February 2018.
- Scientific Publishing: Faculty and Leadership Development Project, Helwan University, Egypt, 30–31 January 2018.
- Quality Standards in the Teaching Process: Faculty and Leadership Development Project, Helwan University, Egypt, 28–29 January 2018.
